IDDO'S INVESTMENT

Ezra 8
Iddo, during the 70 years of captivity, was relegated to a Babylonian outpost called Casiphia, which was 9 days journey from Babylon. Iddo got caught up in the captivity and was not even an Israelite. He was a Nethinim, a Gentile servant unto the Priesthood. With no warning that Ezra would come through his town with a lack of Levites in his Jerusalem bound brigade, Iddo gladly supplied 40 Levites and 220 Nethinims fully trained to minister in the House of God. Iddo was in an unnoticed place, with no extra funding, no fanfare, and no fan-base. All he had was God's Word (Jeremiah) that 70 years of captivity would come to an end so Iddo made an Investment in the future. The Church needs...
